

Consulting Arborist Sales position

Shadywood Tree Experts seeks an ISA Certified arborist for a full time sales position. We're searching for a consulting arborist with strong communication skills, a passion for arboriculture and building relationships with customers. If you're ready to join a family business that has a big impact on urban tree care in the west metro come join the team at Shadywood Tree Experts. We rank high on customer-rated websites as one of the best tree care companies in the Twin Cities. We offer tree removal and pruning, plant health care and stump grinding. The sales position would be selling services for all three divisions.

A strong candidate will have:

- *3-5 years crew experience
- *1-2 years sales experience
- *Excellent tree identification skills in both winter and summer
- *Ability to follow up with customer requests and sales leads
- *ISA Certification credential or ability to obtain it
- *Strong verbal and written communication skills
- *Degree or equivalent experience in horticulture/forestry or related field preferred but not a requirement

Benefits and compensation include:

- *Base salary plus commission
- *Matching 401K
- *Vehicle stipend
- *Health insurance reimbursement
- *Cell phone stipend
- *Paid continuing education
- *Paid holidays
- *Paid vacation

Our headquarters are located in Hopkins, MN, which is the center of our working area. This location offers easy commuting access with your bike or on foot via the LRT trail. If commuting via car or bus we are located about one mile from HWY 169 off Excelsior Blvd.
