Arborist Position

Branch and Bough Tree Service is a full-service tree care company with a passion for rope and saddle arboriculture. We pride ourselves providing high quality work and excellent customer service relations. Branch and Bough is seeking to hire a full-time, year round, crew member who is passionate about tree care and honing their arboricultural skills.

Qualifications and Experience:

- 2+ years of rope and saddle arboricultural work experience with knowledge of tree pruning and technical removal.
- Experience operating power equipment used in tree care operations (chainsaws, chipper, stump grinder, skid steer, aerial lift)
- ISA Certification preferred or a willingness to obtain the certification.
- Knowledge of proper tree care and safety practices (ANSI Z133 for Tree Care Operations).
- Attention to detail.
- Positive work ethic, including awareness of physical demands of working in tree care.
- Clean driving record.
- Strong communication, listening and people skills
- Self-motivated, reliable, team player with an ability to provide excellent customer service

Compensation and Benefits

- Pay is based on experience and ongoing performance.
- Health and Dental insurance after 30 days.
- Group life and disability insurance after 30 days.
- Annual gear stipend, paid sick, vacation and holidays after 90 days of employment.
- On-going educational opportunities.
