

Electrical Tree Crew Trimmer

Lake Country Power is a Touchstone Energy® cooperative serving 49,000 members in northeastern Minnesota. We have an opening for a Tree Crew Member in our Grand Rapids service center.

Tree crews are responsible for tree clearing around Lake Country Power's electrical distribution lines specific to member's residences, danger trees along the lines, and storm clean up.

Qualified candidates must hold a valid MN CDL with air brakes; Electrical Hazards Awareness Training; be able to attain a MN Pesticide Applicator's License within 1 year; excellent customer service skills, and a minimum of 2 years of work experience on a tree crew. Candidates must pass a pre-employment physical and drug screen.

Lake Country Power offers an excellent wage and benefit package. For more information and to apply please go to www.lakecountrypower.coop. Send cover letter, completed application and resume to:
