

## WHO WE ARE

---

The Minnesota Society of Arboriculture (MSA) fosters a passionate and professional community for those who care for trees. Through education we advance the practice, science, and technology of tree care.

MSA is a chapter of the International Society of Arboriculture. Its members include arborists, urban foresters, municipal and utility foresters, professional tree climbers, academia and others interested in all aspects of arboriculture and the health and care of Minnesota's trees.
