WHO WE ARE

The Minnesota Society of Arboriculture (MSA) is a leader in community forestry throughout our state.

We foster a passionate and professional community for those who care for trees. Through education we advance the practice, science, and technology of tree care.

MSA is a chapter of the International Society of Arboriculture. Its members include arborists, urban foresters, municipal and utility foresters, professional tree workers/climbers, academia and others interested in all aspects of arboriculture and the health and care of Minnesota trees.

msa-live.org | 952.452.4426
We invite you to become a member of the Minnesota Society of Arboriculture, your link to networking and professional development in our industry.

Membership Benefits:
- MSA's e-newsletter containing industry resources and society announcements as well as other special publications including Arborescence and the Member Directory
- Educational conferences and hands-on workshops including the Annual Conference, Climbing Workshop, and Tree Climbing Competition
- Opportunities to fulfill ISA CEUs through statewide MSA-sponsored workshops
- Discounted admission to various MSA events and programs
- Networking opportunities to meet and build connections with others in the field
- Access to industry related job listings in MSA's e-newsletter and on MSA's website
