

8/29/19

To All Minnesota Society of Arboriculture Members:

I am looking for several highly skilled and qualified utility line clearance tree risk assessors for a 3-4 month project auditing and documenting the work of other utility arborists and auditors. This is a high profile, high paced project and I am looking for the very best in the industry interested in this very exciting work. Successful candidates must have sufficient qualifications, skill levels and experience to withstand scrutiny from client, regulatory and public officials.

If you are interested or know of anyone who may be interested and qualified for this opportunity, please contact me for more info. First rate tree care companies as sub-contractors and individual free lancers are more than welcome to inquire.

Project Specifics:

Positions Available – Senior, Journey and Associate Utility Forestry Auditors

Location – California, from Santa Barbara County to the Oregon border.

Duration – Mid September through December.

Work week – 60 plus hours (straight time, overtime and double time). Maximum 72 hours and six consecutive days per week.

Travel – Extensive.

Compensation – Well above market rate, includes per diem, vehicle allowance and one time mobilization/de-mobilization payment to cover airfare and travel.

Employment Status – several wage/vehicle packages available as an employee through Northern Clearing, or as a sub-contractor for Clear Path Utility Solutions.

Qualifications

Senior and Journey Forestry Auditor*

o Senior 5 or more years' experience; Journey 3 or more years' experience in arboriculture and tree risk assessment.

- o ISA Certified Arborist.
- o One or more of the following; Registered Professional Forester (RPF), Tree Risk Assessment Qualified (TRAQ), ISA Board Certified Master Arborist (BCMA), Certified Tree Care Safety Professional (CTSP), ISA Certified Utility Specialist, 5 or more years Utility Arboriculture.
- o CPR and first aid certified.

Associate Forestry Auditor

- o ISA Certified Arborist and 2 or more years' experience in utility arboriculture and tree risk assessment.
- o CPR and first aid certified.

***Preference given for Senior and Journey qualified Forestry Auditors.**

Important note: I will not accept candidates currently working for existing contractors on related projects without the express approval of the client..

Feel free to contact me at the number below if you have questions.
