

TREE GROUND CREW MEMBER – SAINT PAUL

Birch Tree Care is a company known for quality, customer service and lifestyle. We are located in the Twin Cities metro area and are looking for experienced climbing arborist. If you are honest, competitive, accountable, professional, and would like to work with a positive team of individuals that enjoy working outdoors and for a company that promotes growth and development, we want you to join our team!

DUTIES:

- Operate and maintain all assigned equipment in an efficient, safe and economical manner; such as Log Loader, Dingo, Skid-loader, and more.
- Complete time reports and other required paperwork.
- Organize from start to completion an operation within the most efficient time possible and to the satisfaction of the client.
- Provide quality customer service.
- Proper job site cleanup.
- Perform all other duties as required.

ESSENTIAL JOB FUNCTIONS:

- Communicate by reading relevant manuals and materials, speaking clearly and distinctively when giving instructions and listening to comments. Communication is required from moderate distances (80') and while equipment is running.
- Understand and practice preventative maintenance on assigned equipment.
- Promptly attend to customer needs and concerns.
- Recognize most trees, shrubs and plants in the geographic area and apply the methods used to trim, remove, plant or carry out other vegetation management techniques necessary to perform the assignment.

- Operate trucks, chippers, cranes, aerial lifts, chainsaws, tractors, brush hogs, and other equipment necessary to perform the assignment.
- Organize and manage tree moving and assigned landscape operations.
- Organize and manage tree removal and pruning operations.
- Develop and motivate members to inspire productivity and professionalism.
- Ability to react in an emergency situation.
- Ability to work outside year-round in a wide variety of terrain and weather conditions.

EDUCATION/TRAINING/EXPERIENCE/LICENSING REQUIREMENTS:

- High school diploma preferred.
- Driver's license and commercial driver's license.
- First aid, CPR training.
- Pesticide license, when required by state law.
- On-the-job training from previous job classification or another source.
- Minimum of three years' experience as a ground's man/climber.

MENTAL & PHYSICAL REQUIREMENTS:

- Exerting up to 100 lbs. of force occasionally, and up to 50lbs. of force frequently and up to 20 lbs. of force constantly to move objects.
- The ability to exert enough force to lift own body weight up a rope into a tree.
- Stand and walk at and around the work site.
- Reach (i.e.: extending arms, hands and fingers) and handle (i.e.: holding and grasping tools, limbs, etc.) and twist.
- Work with and around power tools and equipment (i.e., start and utilize chainsaws, chippers, tractors, mowers, brush hogs, sprayers and other tools and equipment as necessary to complete the assigned task).
- Balance (when using equipment) pull and push (i.e.: wheelbarrow).
- Work outdoors in a variety of weather conditions.
- The ability to perform the desired tasks in the presence of distractions or work frustrations.
- The ability to obtain and select pertinent information through investigation, observation and questioning. This includes the ability to organize and combine different pieces of information into meaningful order to identify problems.
- The ability to perform basic arithmetic computations.
