

Arborist

As an arborist at Sargent's, you will be part of a team that is responsible for tree pruning, preservation, plant health care and planting.

Sargent's is a place where people love to work. We know we've done our job well when we see trees that are cared for to the highest standards and our customers are saying "Wow".

You will measure your success here at Sargent's by safely and efficiently completing work orders to the highest standards and on budget. You will be part of a team that is growing and developing every day and you will play a key role in that development. As a top performer in this role, you will be highly skilled at arboriculture and will lead and communicate well.

We Have:

- A desire to do our best. We do not come to work every day to be average
- A culture of respect and diversity. Sargent's understands that we succeed or fail as one
- A vision of prosperity. You have goals for your life. We do too. We want those goals to be closer tomorrow than they are today
- A fun environment working with others who are passionate about trees
- An opportunity for growth and development. This means we are committed to having the tools you need to do your job well
- More information on Sargent's culture can be found on our careers page: <https://sargentsgardens.com/careers/>

You Have:

- A love for all things trees
- A love for being around and working with people
- A passion for working at heights and solving problems at heights
- A developed skill in arboriculture, tree climbing and use of machinery
- Certification by ISA as an arborist or tree worker (or the ability to achieve)
- Three or more years of experience in arboriculture

Benefits:

Pay range \$22-29 per hour.

Employee discount which includes up to 30% off plant materials.

Retirement Plan through a 401k. Sargent's offers a match up to 4%.

Health Insurance options for Eligible Employee and Families (Sargent's pays for 75% of employee monthly cost).

Paid Time Off (PTO). Eligible Sargent's employees will earn paid time off.

This is a great role in a growing company with a dynamic culture. Sargent's reputation, built over 50 years, has attracted many 30+ year employees and a loyal client base. To be effective in this role you need to be geared up to work hard, develop your skills and communicate well.
